It is said that the trade for the Reduction Works is a good as closed.

Eureka Con. has declared a dividend of 25 cents per share.

Eugene Schuyler, the American Consul General to Egypt, died at Cairo yesterday.

Bar silver was 100% yesterday, an advance of half a cent from Thursday's quotations.

A notice of Wm. Deering & Co., by W. C. Raining, Agent, will be found elsewhere in this issue.

Go to Lange & Schmitt for garden hose, garden tools, and agate ware. Largest stock in the city.

An insane Chinaman was brought to the Asylum yesterday by a Deputy Sheriff from Winnemucca.

Miss Alice Killen has returned from the Stockton, (Cal.), College where she has been the last few months.

Open up Commercial Row to Ralston street, and make Commercial Row the great street it deserves to be.

Elko wants a fish hatchery with a sufficient appropriation from the State Treasury to put it in successful operation.

R. Grant, of Tombstone, Arizona, arrived here yesterday on a visit to his brother, J. J. Grant, of the Palace Hotel.

Joseph Pringle, one of the pioneer residents of Austin, in this State, died at Port Townsend, Washington, last Tuesday.

Mrs. Charles Preston and two daughters from Davenport, Iowa, are visiting the family of General Irish, to whom they are related.

M. M. Booher, Grand Master I. O. O. F., was banqueted last week by the Lodge at Cherry Creek after the installation of officers.

A Base Ranger now in Carson predicts that the advance in silver will cause the opening of many abandoned mines and the doubling of the population of Eureka within a year.

Frank H. Dyer, late U. S. Marshal for Utah, has resigned his position as Receiver of the Mormon Church, to which he was appointed over two years ago by the Supreme Court of the Territory.

The argument in the divorce case of Thomas vs. Thomas was concluded yesterday in the District Court, and the matter was taken under advisement. The principal issue is in regard to the division of the property.

There is not likely to be any dramatic attractions here until the week of the Fair, as Manager Piper declares that during the heated term he loses money on every company he contracts with to make the round of his circuit.

O. C. Terry, who claims to be a relative of the late Judge Terry of California, has been arrested in New York upon a charge of embezzling \$600 from a Kansas City firm. He is a young man 28 years of age.

General Eli P. Murray, formerly Governor of Utah, announces through the columns of the press his withdrawal from the Congressional fight in the Fourth (Cal.) district in favor of Senator Bowers.

The Carson Mint is rushed with work and it is thought that more help will soon be necessary. Superintendent Wright, however, doesn't expect to have to advertise in order to secure an additional force.

The registration books have been open at Justice Young's office since the first inst., but up to yesterday only twenty names had been registered. The rush will probably not commence until about the first of October.

Jim Townsend says: Vegetable peddlers who come to Lundy with their truck should bear in mind that we are not made of gold and ballasted with precious stones. A dollar apiece is too much for little radishes, nor can any of us really afford to pay six bits for a mouthful of lettuce.

About 11 o'clock Thursday night, General J. C. Hagerman discovered a trio of tramps in the yard back of his store. One of them pretended to be very drunk, but he sobered up suddenly and decamped on the double quick with his fellows, when confronted with the blossom end of a bulldog, which the General unkenneled from the rear pocket of his jeans.

Jasper Harrell intends shipping 2,000 head of cattle from California to Ruby valley in Elko county, having secured a rate of \$75 a car in train loads. Under recent arrangements cattle can now be shipped from Arizona and New Mexico in train loads at \$100 per car, and the probability is that considerable stock will be brought here from those Territories.

J. D. Donovan who was charged with burglary, and discharged by the Grand Jury yesterday, was re-arrested upon his release by Constable Upson upon an old complaint for disturbing the peace. If within the limits of the battle-borne commonwealth-to-day, he will probably hear the voice of Justice Young and will be likely to languish a few more weeks in his old quarters at the county bastille.

The Riverside City.

All Dotes, who recently paid a visit to Reno, writes as follows to the Enterprise: "Reno never looked more naturally attractive with fine, costly residences, grand shade trees and beautiful shrubbery. It seems to be an off year for fruit, but many well loaded orchards indicate that there will be no famine in that respect."

"Another fine three-story brick hotel is nearly completed next west of Killen's, opposite the new railroad depot, and still another choice brick building is being put up near by. Other building work goes ahead elsewhere in the town, and, although everybody, as usual, growls about hard times, yet Reno continues her slow, but sure, advancing prosperity. Rents are not cheap, and empty houses are not plenty. The destructive conflagrations of last year were but a temporary interruption. The rebuilding has been a very decided step in advance, and it is even now proposed to reconstruct the destroyed Reduction Works. This could be done to very good advantage and at much less expense than at first, as the dam and water arrangements remain intact; the grading is all there, and much of the reduction apparatus did not have its availability totally destroyed. The great wooden building itself can be rebuilt cheaper than at first, and with a better understanding and more experienced management the works can be made to pay."

"The dark, flashing Truckee rolls joyously through the town from beautiful Lake Tahoe to historic Pyramid Lake, and the Reno Board of Trade will finally contrive a plan to perfectly utilize the grand water power now running to waste and alkaline demoralization."

Delker District in Elko County.

Chris. Delker, says the Ely News, has been in town for several days. Chris. has been a prospecting in the Butte range and brought with him some rich specimens of gold, silver and copper ores. The district which bears his name is situated about ten miles southwest of Sprucecroft in Butte valley, Elko county. The three principal mines of the district, of which he is owner, are the North Star, Lone Star and Black Jack Logan. The formation is porphyry, slate and granite. The ore goes largely in copper, but also carries free gold and silver. Assays made from the rock give 45 per cent. copper and \$22 dollars in gold. The ledges are 100 feet wide and Delker tells us he has 5,000 tons of ore in sight. The mines are easily accessible by a good wagon road. Like most prospectors, Mr. Delker is poor, and he is now rustling to interest some one with a little capital to come to his assistance and help him put his ore on the market. To such a party he will give the offer of most liberal inducements. Chris. is a good miner and an excellent judge of minerals. There may be a fortune in it for the party who gets in.

Good Looking Prospects.

The Aurora and Mt. Morgan mines in Robinson District, recently bonded by J. B. Williamson from Thomas Rockhill are showing up fine. In the Aurora a crosscut run forty-five feet one way and thirty-five the other is all pay ore. Mr. Williamson, who is a good judge of mines, and always backs his judgment with his limited means, feels confident that these bonded properties will show up sufficient inducements to command the attention of men seeking profitable investment before snow flies. Indeed the present showing would sell the Aurora for a good round sum anywhere else outside of White Pine county. The trouble seems to be to get a man of capital to come and see the inducements Robinson District holds out to them.

Board of Pardons.

The following applications were acted upon Thursday:

On the application of Frank Butler the vote stood 2 to 2.

Application of Annie Peterson and Chas. Angelo denied.

Henry McOrmie, sent from White Pine county June 11, 1890, for selling whisky to Indians and sentenced to seven months' imprisonment and a fine of \$501. Balance of fine remitted and applicant ordered discharged.

The vote on the application of Daniel Methaney stood 2 to 2.

Application of A. J. Karlon and Carmin Deia denied.

Northern Stage Line.

Next Monday E. A. Halstead will commence running a daily stage (Sundays excepted) from Reno to Chat, Summit, Beckworth, Mohawk, Johnstown, Eureka, mines, Cromberg, Quincy, Crescent Mills and Greenville, carrying Wells Fargo & Co.'s express from Reno. This enterprise is to accommodate the people of those Northern places who are greatly inconvenienced by the recent change in the time-table of the N. O. & O. Railway. The road is well stocked, and everything will be done for the convenience and comfort of passengers. T. K. Hymers will do temporary service between Reno and Chat. For particulars see ad in this issue.

Rattlesnake Grass.

An Arizona prospector writes that in the Colorado desert, growing in sandy and gravel soils and along railway tracks between the ties, is a creeping vine with a small leaf and a delicate pink flower. As our sagacious mother, nature, always places the antidote beside the poison, so here, where the rattlesnakes are most numerous and venomous, grows this so-called "rattlesnake grass." Gather the whole plant, steep it—roots, flowers, leaves and all—into a thick reddish-brown tea and bottle it. When the snake bites you, immediately apply the decoction to the wound and you are cured.

The Dining Cars.

In October dining cars will be put on the railroad. It is not the intention, says the Truckee Republican, to run the cars between Oakland Pier and Ogden, but only back and forth between Wells and Truckee. The train leaving San Francisco at 8 p. m. daily will take one of the dining cars at Truckee the following morning, breakfast, lunch and dinner being served before Wells is reached the same evening, where the car will be dropped. The train leaving Ogden in the night time will take on a dining car at Wells the next morning, sidetracking it at Truckee the same evening after dinner is served. In this way the cars will be kept running back and forth across Nevada. The eating houses along the line will continue to be used for the passengers of the second-class train and the crews of the freight trains.

Advice to Mothers.

Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so send at once and get a bottle of Mrs. Winslow's Soothing Syrup for Children Teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers, there is no mistake about it. It cures dysentery and diarrhea, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. Mrs. Winslow's Soothing Syrup for Children Teething is pleasant to the taste, and is the prescription of one of the oldest and best female nurses and physicians in the United States, and is for sale by all druggists throughout the world. Price 25 cents a bottle. feb. 21-sw-ly

The Arid Land Scheme.

In regard to the scheme by which it is said \$25,000,000 are to be expended in the reclamation of arid lands in Nevada, California and other places on the Pacific Coast, D. O. Mills, who is now at the Bay, says he knows nothing of the project. He said that he was not the Western man, well known on the Pacific Coast who was the organizer of the scheme.

The importance of purifying the blood cannot be overestimated, for without pure blood you cannot enjoy good health. At this season nearly every one needs a good medicine to purify, vitalize, and enrich the blood, and we ask you to try Hood's Sarsaparilla. It strengthens and builds up the system, creates an appetite, and tones the digestion, while it eradicates disease. The peculiar combination, proportion, and preparation of the vegetable remedies used give to Hood's Sarsaparilla peculiar curative powers. No other medicine has such a record of wonderful cures. If you have made up your mind to buy Hood's Sarsaparilla do not be induced to take any other instead. It is a Peculiar Medicine, and is worthy your confidence. Hood's Sarsaparilla is sold by all druggists. Prepared by C. I. Hood & Co., Lowell, Mass.
